

HONEYCOMB FABRIC COLLECTION

Honeycomb Shades

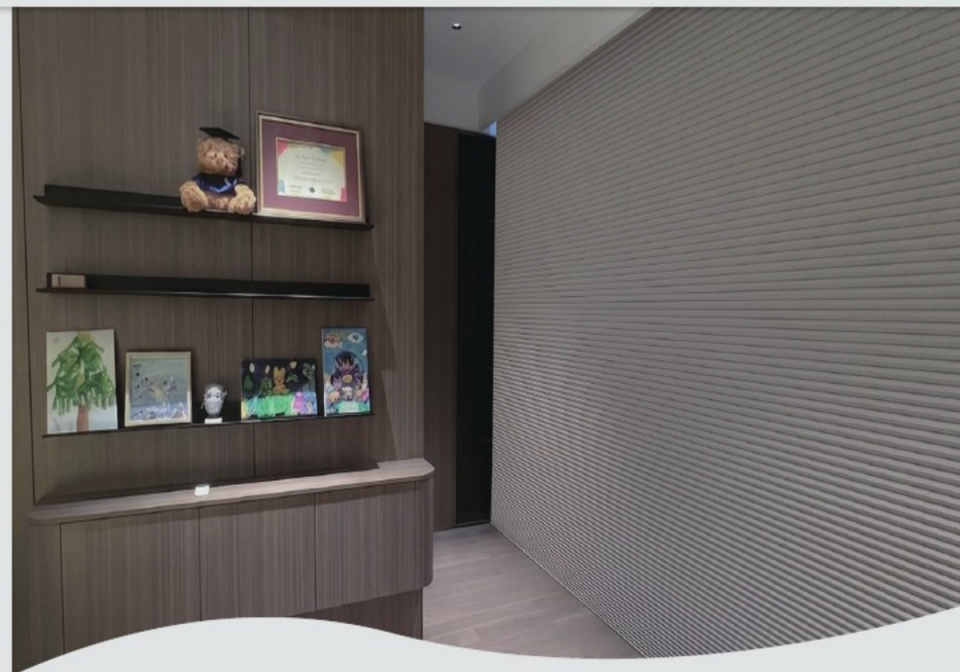

Soft cellular structure for privacy, insulation and tailored light control.

A guided in-home selection

Review the collection online, then confirm color, texture and opacity with the physical fabric in your own light.

BLINDS100 | CUSTOM WINDOW TREATMENTS

South Bay, California | blinds100.com | (424) 210-7003

Start with the room, not the swatch.

Recommended for Bedrooms, offices and comfort-focused rooms that benefit from a softer insulated shade.

01

Standard

A clean cellular shade for everyday privacy and light control.

02

Top-down bottom-up

Preserves daylight above while adding privacy below.

03

Day and night

Combines two materials for a broader range of room conditions.

Your digital shortlist is only the starting point.

Screens can shift color and texture. BLINDS100 brings the physical books to your home so the final fabric can be viewed against the actual glass, wall, trim and daylight before approval.
